NATIONAL ANTHEM

God bless our homeland Ghana
And make our nation great and strong,
Bold to defend forever
The cause of Freedom and of Right;
Fill our heart with true humility,
Make us cherish fearless honesty,
And help us to resist oppressors' rule
With all our will and might for evermore

VALLEY VIEW UNIVERSITY ANTHEM

You are so dear, You give us balanced living;
Christ is so near, You train for humanity.
Through Excellence, Integrity and Service;
Valley View sends us to the world with peace
Rising to the task, Serving till the last
Human on earth shall receive and prize the right.
V V U glows the world with Hope and Light!

Bright V V U, Premier, private Varsity,
Ghana needs you, The vanguard of unity.
From nations far and near, we learn together
To help our fatherlands to grow higher.
Sharing God's desire, Living to inspire
The young, old, rich and the poor to heights unknown.
V V U leads to bright and golden dawn.

Radiant You are, your expectations guide us;
Into a life that no one else can give us.
True diligence in labour we are seeking;
Valley View grants us this through God's leading.
Working day and night, Doing what is right;
Until a soul shall revive and sprout from gloom.
V V U guides us make some lives to bloom.

(Pastor Emmanuel O. Abbey – Sept. 2011)

ACADEMIC COSTUME

The black caps and gowns worn by students and faculty in the academic Procession have been traditional costume of scholars since medieval times. These costumes indicate the wearers' degrees and colleges or fields of study.

The Cap

The black mortarboard type is the most common cap worn. Consistent for all degrees is the cap or mortar board, which has a tassel of black. The tassels of the doctors can be gold.

The Gown

Gowns are of three kinds. Each of the academic degrees; bachelor, master and doctorate has its own distinctive gown and hood.

The bachelor's gown is distinguished by its long, pointed sleeve.

The master's gown has a longer, narrower closed sleeve extending below the knee; the arm fits through a slit at the elbow.

The doctor's gown has a full, bell-shaped sleeve trimmed with three bars of velvet. The velvet trim on the gown can be black or a colour indicating the wearer's general field of study.

The Hood

The most colourful and distinctive part of the academic costume is the hood extending down the back. The bachelor's is the smallest and the doctor's the largest. Silk lining of various colours in the centre of the hood indicates the college or university which conferred the degree.

VVU's Adinkra Symbols

In Ghana, Adinkra symbols are used to communicate ideals, values, tested and accepted maxims that are beneficial in life. The Adinkra symbols chosen for the academic regalia of Valley View University portray the University's African heritage. Three particular symbols have been chosen to indicate our commitment to the University's mission and heritage.

The first symbol is '**Nyame Dua**' (literally: "God's tree"). Nyame Dua is the symbol of God's altar. By adopting this symbol, Valley View University recognizes that "Unless the Lord builds the house, its builders labour in vain." (Psalm 127:1). The University also acknowledges the Biblical injunction to "Seek first the kingdom of God and His righteousness, and all these things shall be added to you" (Matthew 6:33).

The second symbol is '**Aya**' (literally: "The fern"). The Aya is the symbol of endurance, fortitude, independence, defiance against difficulties, hardiness, perseverance and resourcefulness (cf. The Adinkra Dictionary, 82). The Aya symbol reflects Valley View University's determination to produce intellectually well qualified graduates, "who are masters and not slaves of circumstances," men who will persevere and be resourceful in all circumstances.

The third symbol is '**Sumsum**' (literally: The "Soul"). Sumsum is the "symbol of spirituality, spiritual purity and the cleanliness of the soul" (cf. The Adinkra Dictionary, 192). This symbol has been chosen to represent the spiritual development that the holistic education of Valley View University provides. We realize that without this particular dimension, education cannot reap the full benefit which it is supposed to give to both the student and society.
